

## Conspicuity Tape

Making the roads a safer place has always been the main focus of Lordon Inc, and in keeping with that tradition, we have added Conspicuity Tape to our continually expanding line of Traffic Safety Products. Made of Diamond Grade™ material this extremely reflective adhesive tape is for trucks, trailers, and school buses and is designed to stand up to the rigors of the road. Conspicuity Tape is sure to increase the safety of truck drivers and all commuters on the road with them.

### PRODUCT FEATURES:

- Highly reflective/visible
- Increase traffic safety
- Cost Effective
- Durable
- Easy to apply
- Available in 4 DOT-C2 approved colors:
  - Red/White
  - Red
  - Yellow
  - White

Federal regulations require semi-trailers exceeding 10,000 lbs GVWR to have alternating red and white DOT-C2 approved 2-in wide conspicuity tape applied along at least 50% of their lengths and entirely across their back ends. This tape is also great for horse trailers and RVs and is available in a variety of widths and lengths.
