One Piece Pole Tags & E-Z Banding

Lordon's **One-Piece Pole Tags** are guaranteed to save you time and money. The unique one-piece design will virtually eliminate the costs and time associated with installing other types of tagging systems. Tags are manufactured in Co-Extruded UV Stabilized High Density Polyethylene, making them durable enough to last in even the harshest environments and extreme weather conditions.

ONE-PIECE POLE TAGS

- **Quick and easy installation, Labor saving**
- **High visibility**
- **3-D engraved for longevity**
- **Standard or Custom tags and sizes available**
- **Sequential or random numbers/letters available**
- **Aluminum or stainless steel mounting bands available**
- **Made of UV stabilized HDPE**
- **Non-corrosive & non-conductive**
