

BriteSide®

The Difference is Easy to See™

Reflective Panels for
 U-Channel, Square, Round,
 and Wood Style Posts

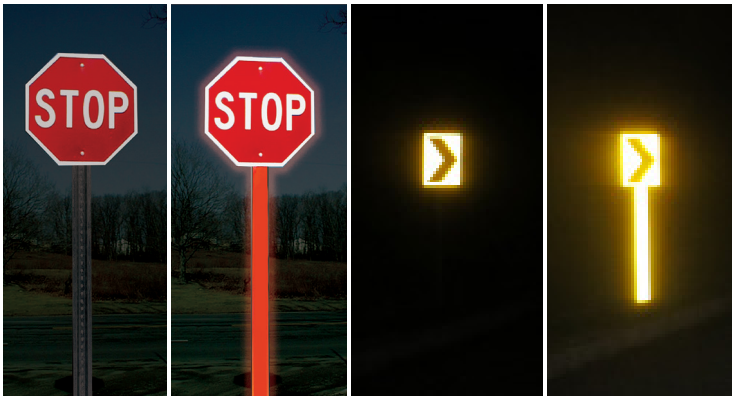

Traffic Calming • Accident Reducing • Life Saving

Particularly in high incidence areas, the need for highly visible signs is a necessity. With BriteSide® Reflective Panels, visibility is increased dramatically, day or night, rain or shine, making the roads safer for motorists and pedestrians.

FEATURES

- Reflective day and night
- Fits all styles of posts
- Higher sign visibility day and night
- MUTCD approved
- Multiple sizes, profiles and optional legends available (check local ordinances)
- Vertical reflectivity leads eye to sign
- Theft-resistant fasteners
- Mounts in seconds
- Safe, no sharp edges
- Non-corrosive

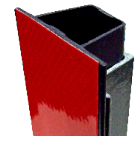

BriteSide® Reflective Panels incorporate field-proven Reflective Sheeting into their construction. The highly-reflective material increases visibility of the sign and post.
